Looking for Something Different...?

Are you looking for a unique hen party experience that combines creativity and fun? Our Hen Party Packages at Make provide an unforgettable day filled with laughter and memories with your closest friends.

Our selection of craft workshops are designed for all skill levels and provide an opportunity for your group to create something special to take home as a memento of the day.

Creative Hen Parties

Make is perfect for those looking for an alternative and low key hen party experience. With its inspirational atmosphere, it's the perfect place to unwind and enjoy the company of your friends whilst learning new skills.

For those wanting the extra touches, we also offer drinks & food packages to suit all budgets.

Bespoke Workshops

Terrazzo – options to make individual items for each person to take home, or to create something together for the bride!

Mosaic – create bespoke Mr & Mrs mosaiced lettering for the big day or work on individual peices to take home using reclaimed materials.

Herbalism – gather together to learn how to make herbal products including herbal oils and balms.

More Workshops

Macrame – work together with your group to create a beautiful macrame photo backdrop for the big day or individual items to take home.

Life Drawing– have a glass of wine and practise your drawing skills with a live model.

Tie Dye– add a splash of colour to the party by learning how to tie dye, maybe even create a tie dyed sash for the bride?

Testimonial

"We booked a terrazzo coaster making class as a hen do and it was absolutely fantastic! The site is really nice & there was a bar for us to get drinks. Aurelie ran the class and both her and her two helpers were so lovely. Instructions were really clear, she had laid out everyone's equipment and making the coasters was really fun. Throughout the class they took such good care of us & made sure everyone had a great time. Rosie was really helpful in arranging the class beforehand. Can't recommend enough, thank you Aurelie and Make!"
